<p>ADJUTANT'S COLUMN</p>	
<p>First, I would like to thank everyone for a good year, so far. Please remember that we have elections in May for Post Officers for the Year, 2011-2012. If you are not certified for Bingo, please see me. This is one of the requirements to hold office.</p>	<p>For God and Country,</p> <p style="text-align: right;"><i>Jack Murphy</i></p>
<p>Second, please remember the following dates for upcoming Programs and Activities:</p> <p>May 13-15, 2011, American Legion College and Post Service Officer School May 15, 2011, Tenth District Executive Meeting, Post 233 June 24-26, 2011, Department of Georgia Convention, Dalton, GA.</p> <p>Spring will be coming soon and we (The Post) need to get together for some Spring cleaning around our Post Home.</p> <p style="text-align: center;">For God and Country: <i>Leate C. Debra</i></p>	<p>EDITOR'S TWO CENTS </p> <p>Do you think one meeting a month is too much to ask of us to see about helping ourselves and others?</p> <p>One would think that keeping up with things and having a hand or say-so in our affairs would prompt most members to attend such meetings, would not one?</p> <p>Taking an active part in our self-help and benevolent efforts should be seen as an honor, not an onerous duty to be avoided.</p> <p>Support our officers and activities by coming out one day a month, if you are able.</p>
